

PRICES

Prices displayed on this website exclude VAT.

VAT will be calculated in the Cart. Customers outside the EU will not be charged VAT at checkout and may have to pay additional import taxes and duties.

WARRANTY

Nekyia products carry a two year limited warranty against defects in workmanship and material, starting from the order date.

During that period any malfunctioning or damaged units will be repaired, serviced, and calibrated on a return basis.

This warranty does not cover any problems resulting from damages from incorrect installation or power supply, abusive treatment or any other obvious user fault.

If your warranty period is over do not worry! We are happy to address any issue but postage and labor expenses may apply.

RETURNS

Returns are only accepted for unused products in their original packaging.

Returns should be sent with tracking within 14 days after delivery date.

Customers must cover the shipping costs for returns.

Lost or damaged returns cannot be refunded.

For repair returns please contact us at info@nekyiacircuits.com by reporting the issue.
